Hi Alex,

Thank you so much. And I wish you the best as you explore the DC opportunity. I am honored to know you and I have no doubt our paths will cross again.

Have a great holiday season with your family.

Best,

Andrea

Andrea-

I am so sorry I didn't get to say goodbye to you. I got pulled into a side meeting that was supposed to be a minute and took about half an hour. I did get to talk to your stepmom for a bit and she is so proud of you.

You are truly amazing - I'm so glad you enjoyed the ceremony. You deserve every bit of recognition. I'm also glad you got a lot of news coverage - although I know there will be more as your work continues.

We will keep working on PFAS - and we will get to a better place - and your help will help us get there.

I may be going back to Washington - I don't know when - but I will be sure to say something to you before I go. And I imagine I will be working on the same issues in many ways from DC!

Sincerely,

Alex

Dear Alex,

Thank you so much for such an honorable and memorable award ceremony on Wednesday. I am so appreciative of the EPA recognizing my work in the community and giving me the Citizen Excellence award. And I am completely humbled by the beautiful and touching ceremony that the EPA and Senator Shaheen coordinated for me. I felt so appreciated, honored, and respected at the event and it is truly a day I will cherish forever.

Thank you for seeing the importance of community involvement in environmental issues and for all that you have done to give impacted PFAS communities a voice. I have a significant amount of respect and appreciation for you and am so grateful for all that you have done for me.

Thank you again for selecting me for the award and for a beautiful ceremony.

Sincerely,
Andrea
